Student Behavior Expectation:

NCS will not be the only group staying at the University. Be courteous of others around you. There is no daily room service, so keep your rooms neat and clean. Leave your rooms in the same, if not better, condition than you found them. You will be responsible for your personal items and dorm keys. All rules and regulations in the Student Handbook will be enforced.

At SOU dorms, cafeteria and classrooms:

- No running, yelling or any horseplay
- No switching rooms for any reason
- Girls cannot be in boys' rooms/floor, boys cannot be in girls' rooms/floor at any time
- Electronics must be kept packed or in dorms during the duration of the stay
- Do not leave your hall without your chaperone for any reason
- Room checks every night!

At the Theater:

- Absolutely *no talking* at all during the performance
- No running or horseplay during intermission, no climbing over seats or propping feet up
- Stay with your chaperone at all times
- No electronics, keep cell phones turned off
- Dress Code: Clean, dress casual clothes

Packing list:

Students should pack clothes suitable for attending school and 2 evening performances. The weather is expected to be in the high 70's during the day and 40's at night. The plays are outdoors and include intermissions where concessions will be sold. We encourage students to dress up they want, but a dress shirt and clean bottoms are just fine with the addition of a sweater or light jacket as evenings cool off quite a bit. Below are items students **MUST** pack:

- Script
- Sleeping bag/pillow
- Towel for showering
- Shower Shoes
- School and Theatre Clothes
- PJ's
- Toiletries (shampoo, soap, toothbrush, lotion, deodorant)
- Money (2 lunches, concessions and bookstore/souvenir)

Chaperone Responsibilities:

Chaperones number one priority is student safety. Before driving, take a picture of every student in your care. Carry your chaperone packets at all times.

Chaperones are responsible for supervising their group at all times! Chaperones must review and reinforce expectations with their group throughout the trip. Chaperones must know where their students are roomed, know where students are seated in the plays, know their group class schedule and attend classes with their group. Chaperones will perform room checks until halls are completely silent.
